## Marriage Match Score Analysis

### Varna

The boy and the girl both comes under Shudra varan. This is a very good combination. They will help each other to be more efficient and effective. Domestic affairs will be mutually taken care well by both of them. They will also promote their living standard and status. Since, both are hard working individual and appreciate each other's work quite often. Good communication and sharing of labor will make work easier. In short, both are compatible as far as other gunas are concerned.

### Vashya

The boy and the girl both belongs to Manav vashya. This combination indicates mutual interests and the ability to resolve problems through clear thinking and communication. They can help each other, achieve goals and objectives through stimulating each others mental processes and conveying useful information. The natives can also work together effectively to promote family status. They will have lot of love and respect for each other. Therefore, this guna matched well.

### Tara

The boy's tara is Sampat and the girl belongs to Atimitra tara. This will be a happy and fruitful match, as these two people have a sound understanding of each other's needs. They also have innately co-operative spirits and will allow each other a fair degree of independence and assertiveness. The natives will be loyal friends and can accomplish much that is constructive through mutual co-operation. They will collectively fight back in odd / adverse situations.

### Yoni Kuta

The boy's yoni is Bilav and the girl comes under Swan yoni. This is not a good combination as far as yoni compatibility is concerned. The natives may not find much togetherness in this marriage. He is too hot-headed and imperious for the domesticated and sentimental lady. She can be considerate and thoughtful only when appreciated, and he is too impatient and involved with himself. He finds her petty and too progressive and demanding. Both parties will be dissatisfied with the other's performance. Physically, they may not get on well.

### Graha Maitri

The boy and the girl both comes under Mercury's lordship. This combination indicates that the natives will have similar mental view points and that there will be an ease in communication between them. The natives can over come problems and disagreements through good communication and clear rational thinking. They can also co-operate effectively in the fields such as writing, publishing, reporting communication media and education. In general, there can be a mutual interest in intellectual subjects and scientific investigation.

### Gana

The boy's gan is Dev and the girl comes under Manushya gan. This is one of the best combination as far as gan compatibility is concerned. The natives help increase each other's enthusiasm and impetus to constructive action. The girl can help the boy to implement religious, educational, social, legal or philosophical goals. The boy can help the girl to find constructive outlets for the expression of energy through action. They will encourage each other to uphold their shared goals and principles and they can become crusaders for worth while causes. They boost each other's energy, determination to accomplish what they set out to do.

### Rasi

The boy and the girl both comes under Mithun rasi. This a good combination as far as bhakoot compatibility is concerned. Both have same approach towards life. He is captivated by her vivacious personality and she is greatly attracted to his colourful, vibrant and self-assured manners. Both are active, affable and appealing. Since, they share the same philosophy, they will gravitate towards the same goals. Much togetherness can be achieved in this marriage and they will be blessed with good children. Both will indulge towards each other, exchange ideas and work in harmony.

**Nadi**

The boy's nadi is Aadi and the girl also comes under the same nadi. Since, both constellation falls under the same nadi, which is not a healthy combination for the longevity of the wedding life. However, even if the both constellations are identical but in different charan or pad, there would be no danger whatsoever. In this context, one can always go for alliance without giving second thought to the proposal.
